

PUBLIC NOTICE

Starting July 1st the Town of Thomaston will become the Administrative Municipality for the George's River Shellfish Ordinance and Interlocal Clam Management Agreement.

Please be advised that this change of the administrative municipality will not affect any change in licensing procedures, you will still need to go to your hometown for Recreational Licenses as well as for your applications when the time comes for the 2018 Commercial Licenses. Thomaston's roll will become typical of what the Town of Cushing has been administering for the past several years.

Our contact information is as follows:

We are open Monday through Thursday 8:00AM – 5:00PM and Friday 8:00AM – 2:00PM
